## CALL FOR RESEARCH PROPOSALS

### Pak-France PERIDOT Research Programme – Phase VI 2019-20

The Higher Education Commission (HEC) invites joint research proposals from Pakistani faculty members of public and approved private universities for HEC funding in the following four areas under Pak-France PERIDOT Research Programme:

**Environmental Sciences** (including but not limited to water, climate change, pollution, etc.)

**Health**

**Energy** (including but not limited to sustainable alternate energy)

**Human and Social Sciences**

The programme is one of the upshots of French-Pakistani cooperation within the scope of internationalisation effort of higher education systems. It is implemented in France by the Embassy of France in Pakistan and in Pakistan by the Higher Education Commission (HEC), Pakistan to support the academic/ research activities.

The objective of this programme is to develop new scientific and technological cooperation between French and Pakistani higher education institutions by supporting the mobility of graduate students and academic staff.

#### How to apply

- Applicant must hold a faculty position in HEC recognized public or approved private universities for HEC funding.
- Pakistani researcher/PIs to identify the French partner.
- Projects to be submitted on prescribed form available at HEC website: <https://hec.gov.pk/site/periodot>
- Partners must submit the Project simultaneously in Pakistan and France.
- French counterparts will submit applications online at Campus France website while Pakistani researchers will submit the same application (three sets) at the address given below and by email.
- Maximum one research project can be submitted by one principal investigator for funding.
- The application completed in all aspects should reach the following address by November 15, 2019 before 1700 hours PST.

Assistant Director (BMP-R&D Division)  
**Higher Education Commission**  
 Sector H-9, Islamabad. UAN: 111-119-432(HEC)  
 E-mail: [info@periodot@hec.gov.pk](mailto:info@periodot@hec.gov.pk)

## Call For Research Proposals

### Pak-Turk Researchers' Mobility Grant Programme 2019-20

The Higher Education Commission (HEC) invites joint research proposals from Pakistani faculty members of public and approved private universities for HEC funding in the following six areas under Pak-Turk Researchers' Mobility Grant Programme:

 <b>Energy Technologies</b>	 <b>Food Technologies</b>
 <b>Sustainable Environmental Technologies</b>	
 <b>Material Science</b>	 <b>Robots and Smart Systems</b>
 <b>Smart Transportation Systems</b>	

The programme is one of the upshot of Turkish-Pakistani cooperation within the scope of internationalisation effort of higher education systems. It is implemented in Turkey by the Council of Higher Education (CoHE) and in Pakistan by the Higher Education Commission (HEC) to support the academic/ research activities.

The objective of this programme is to develop new scientific and technological cooperation between Turkish and Pakistani higher education institutions by supporting the mobility of graduate students and academic staff.

#### How to Apply

- Applicant must hold a faculty position in HEC recognized public or approved private universities for HEC funding.
- Pakistani researcher/PIs to identify the Turkish partner.
- Projects to be submitted on prescribed form available at HEC website: [www.hec.gov.pk/site/ptrg](http://www.hec.gov.pk/site/ptrg)
- Partners must submit the Project simultaneously in Pakistan and Turkey.
- Partner universities are required to sign Mevlana Exchange Programme Protocol for Turkey side.
- Maximum one research project can be submitted by one principal investigator for funding.
- The application completed in all aspects should reach the following address by **November 15, 2019 before 1700 hours**.

Assistant Director (BMP-R&D Division)  
**Higher Education Commission**  
 Sector H-9, Islamabad. UAN: 111-119-432(HEC)

# Undergraduate Semester Exchange Program for Pakistan

## UGRAD 2020

### Undergraduate Semester Exchange Program for Pakistan

The United States Educational Foundation in Pakistan (USEFP) is pleased to announce the 2020 Undergraduate Semester Exchange Program for Pakistan.

The program is intended to promote mutual understanding between the people of the United States and the people of Pakistan. It provides full-time undergraduate students from Pakistan with the opportunity to enrich their education and experience through one semester of full-time, non-degree academic study in the United States. The program will also expose students to the principles of social responsibility in the United States through a community service component.

#### Eligibility Criteria

- Pakistani citizens
- 25 years or younger
- Currently enrolled in a college or university in Pakistan and committed to returning to their home university following the completion of the program
- In their 14th or 15th year of formal education
- Applicants are required to submit current/most recent, and old transcripts with application

#### Ineligibility

- Dual U.S./Pakistani nationals or U.S. permanent residents
- Those who have a parent or spouse who are a U.S. citizen, permanent U.S. resident, or have a pending U.S. Immigration
- Employees of the Fulbright organizations, the U.S. Department of State, or USAID and their spouses, children, fiancés, siblings, dependents, and parents
- Students in their final year of university

Women, people with disabilities, and individuals from Khyber Pakhtunkhwa (FATA), AJK, Gilgit-Baltistan, Balochistan, Northern Sindh, and Southern Punjab are highly encouraged to apply.

#### Grant Benefits

- Round-trip airfare
- Tuition and fees
- Housing and meals
- A limited allowance for books
- Accident and sickness coverage
- Monthly maintenance allowance

Application Deadline:

**Wednesday,  
November 20, 2019**

#### Please Note

Applications must be submitted online. Paper copies will not be considered. All application materials (including degrees, transcripts, certificates) must be uploaded with the online application. Reference letters will only be required from applicants after they have been selected for the program.

#### To Apply

To complete and submit the application online, visit our website: [www.usefpakistan.org/UGRAD](http://www.usefpakistan.org/UGRAD)

For more information:  
✉ [undergraduate@usefpakistan.org](mailto:undergraduate@usefpakistan.org)  
☎ 051-8431300

Plagiarism or misrepresentation in an application will lead to disqualification at any stage of the program.
